## RE-OPENING PLAN & POLICY

Our objective is to return to golf at Stoneleigh Deer Park Golf Club with the safety and well being of our members/visitors and club staff as a priority. The Golf course has continued to be maintained during the lockdown by the green keepers who have done a great job for which we are very grateful.

This document lays out our plan and the phases we will implement in line with government policy and the Golf association bodies. This will be monitored and amended accordingly.

We all have a personal responsibility during these times and ask that anyone who shows signs of COVID-19 or has a reason to self-isolate refrains from using the club. The club staff are within their rights to refuse play at any time.

We appreciate Members/Visitors adhering to this policy.

Members will continue to have reserved priority tee times midweek and at the weekends, which can be pre-booked online or over the phone. Outside of these times, visitors will be able to pre-book over the phone and online. Members will be able to bring a guest (within stated guidelines) but must pre-pay in advance, over the phone.
