Hi All, two matches this week

05 February 2020	SDP	3.5	Windmill	1.5
06 February 2020	Atherstone	3	Oakridge	2

The first result gave three very welcome home points for SDP which lifts them off bottom spot on goal difference. It looks like the battle for the wooden spoon will be between them and Whitefields. Things are not looking too good for Captain Ian as he has two away matches left to complete.

The second result saw my Oakridge boys go down by a narrow 3 to 2 margin at the ever difficult Atherstone. My match with Gaz and Mike Ferguson looked like a classic whitewash as partner Ed Iles and I were 6 down after 6 holes. Gaz and Mike came out of the traps running and we could see Gaz was thirsting for an 8 and 7 thrashing. Somehow we managed to stem the tide and restrict our loss to 3 and 2. There was one memorable moment on the narrow 14th Quarry hole. Gaz proclaimed on the tee that he would like his ball to go to the left hand side of the fairway. I said don't go too far left mate as there is a farmyard with a large barn up there. "Never been there in my life mate" proclaimed a confident Gaz. He took out a fairway wood and guess what? Straight into the farmyard! He then took out the big dog and with steam coming out of his ears he ripped a beauty.....even further into the farm yard hitting the barn roof with considerable force. I hope this helps to dispel the myth that Gaz couldn't hit a barn door as he can most certainly hit a barn roof! I was there. Even playing partner Mike found this highly amusing. All in all a great match with good camaraderie and an excellent meal.
